President's Message

Hello all,

I would like to thank all of the volunteers who attended the November FWCOS work day at the Botanical Gardens. We had 19 volunteers that day and three others who volunteered during the week.

We have completed our required 200 hours for 2012 and for 2013 and we now have 9.75 hours logged that will apply to 2014. We will have another work day scheduled in January so we can continue to build up our reserve. Everyone that volunteers will be eligible to select an orchid up to 20 from Exotic Orchids of Maui. Go to the website www.mauiorchids.com to choose your orchid then email your selection to Leslie Belew at lesliebelew@verizon.net. Be sure to include the name of the plant, order number and price. The orders will be placed in December and distributed at the January meeting.

Our next big event is the Annual Orchid Auction which is our main fundraiser. This year's auction will be held March 31, 2012 from 8:00 am to 4:pm at the SW Recreation Center at Vonn d and 131st St in Largo. Ruth Cannon is the auction chairperson and she will provide more information as we get closer to March along with plenty of opportunities to volunteer and get involved.

I want to thank the board and the society for a wonderful two years and will be staying on as directory with the society. It has been a pleasure and honor to service as your President.

Thanks,

At the November meeting Deborah and AJ Magliolo of St. Pete Bch and Terry Finch of Clearwater joined us and we welcome them to our Society. December is 'Membership Renewal Month' as current memberships expire December 31, 2011. I will be accepting membership renewals at the December Holiday meeting before and after dinner and I would like to thank those who have already renewed. Annual renewal rates are \$20 for an individual member and \$35 for a second household member. There is an additional cost of \$15 yearly if you choose to have the monthly newsletter mailed to you rather than emailed.

The actual cost to print and mail the twelve newsletters is approximately \$21.00 with the paper copies printed in black and white and shortened to 12 pages to save on postage so some content must be eliminated. I am taking orders for name badges at \$10 each, if you forget to request one at the meeting just send me an email anytime and you may pay for it when we meet next. At the Holiday dinner all current members are asked to sign in and receive a ticket at the membership table to receive your Holiday orchid plant. The members' guest will have a separate list to sign in, this will help with future attendance estimates. Thank you for everyone's cooperation and Happy Holidays.

Tina

**Minutes of the Board of Trustees Meeting
Florida West Coast Orchid Society
October 19, 2011**

In Attendance:

Cheryl Finke, Bill Nunez, Ruth Cannon, Chad Whetstone, Leslie Belew, Bret Ullery, Brent Finke, Corinne Arnold, Tiffanie Swigart, Michael Polen, Roy Finley, Jennifer Upchurch and Tina Kendall

Absent:

none

The meeting was held at the office of Carr, Riggs & Ingram, 2111 Drew St., Clearwater. Having declared a quorum, Cheryl called the meeting to order at 7:03 p.m.

Old Business:

The minutes of the August 17, 2011 meeting of the Board of Trustees were reviewed. Brent moved the minutes be accepted and Roy seconded. The motion passed.

Treasurer's Report:

Chad provided the Board with a Statement of Cash Receipts and Disbursements for the first nine months of 2011 compared to 2010. There is a small deficit, but much smaller than this time last year, and it compares favorably to the budget. There was much discussion on the membership and dues receipts, and ways to increase it. Tina will attempt to identify the sign-in area better and put new members with existing members to welcome them to the society.

As a group, we discussed changes to the 2011 budget for the proposed 2012 annual budget. The field trips have been better than break even and Corinne would like to add a third trip in the fall. In January of 2009, the Board voted for up to 2 field trips at a stop loss of \$400 per trip. Chad moved that for the year 2012 forward the maximum annual club subsidy for field trips (not limited to 2 per year) be \$800. Bret seconded and the motion passed. So for the proposed 2012 budget, the field trip revenues and expenses were doubled approximately. Several other budget line items were decreased or increased (i.e. auction expenses) yielding a small budget surplus for the first time since 2009. Roy moved the 2012 proposed budget be approved and Brent seconded. The motion passed.

Fall Show:

Brent reported that there were about 20 less people through the door for this year's 2 day show compared to last year's 3 day show. A couple vendors preferred the 3 day show, yet nearly everyone had similar revenues to last year. Jennifer received the contract for the Minnreg building for next year (October 5-7, 2012). There was discussion about moving the show date a little later since we are now the only local show in the fall. Jennifer agreed to look into that.

Speakers:

Bill has scheduled the following speakers for the main meeting: November – Louis Del Favero – Species; January – Paul Phelps – Pests & Diseases; March 2012 – Bill Thoms – Orchid Hunting in the Philippines.

Michael has scheduled Chris Smith to discuss Denphals in November, and Chad to talk about Vandas in January. He asked Corinne if she would talk about bifoliate Cattleyas in February and Leslie to discuss Tolumnia in March.

There was much discussion on new speakers to invite in the future. There was also discussion on the December Christmas party. We will ask for volunteers to prepare 3 turkeys, and the sign-up sheet will be passed at the November regular meeting. Tina agreed to get the table settings. Bill has already arranged to purchase 100 plants from Krull-Smith at a cost of \$5 each.

Other Business:

Ruth reported that the Auction will be March 31, 2012. There was discussion regarding requiring News & Views advertisers and show vendors to donate to the auction. Such language will be added to the show contract next year.

Roy moved that we adjourn at 8:17, and Michael seconded.

Respectfully submitted,

Leslie Belew

AOS Corner

At the Trustees' Meeting in San Antonio last month, it was announced that the sale of headquarters of the American Orchid Society was approved and closing on the sale will be the end of November 2011. The Sandra C. Slomin Foundation and Family Center for Autism and Related Disabilities is purchasing the site to use as a day care facility and eventually a private elementary school to serve children with autism and related disabilities. The Board of Trustees also approved the process to enter into negotiations for a strategic partnership with Fairchild Tropical Botanical Gardens in Coral Gables, Florida. The move, if an acceptable partnership is approved, should be completed by the end of the first quarter 2012.

The Trustees also approved the Library Committee's report which gave the Committee the direction to thoroughly inventory the extensive art collection, rare books and manuscripts and archives of the American Orchid Society in anticipation of its headquarter change. The Library Committee has the authority to determine which items will remain property of AOS and the disposition of those items that will not be retained. If any member wishes to inquire about a specific item's disposition, they may contact the Library Committee through their email library_committee@aos.org.

What's new at www.aos.org?

- The 2012 Calendars are available for sale – a 14 month calendar loaded with beautiful orchid photographs, free shipping for AOS members. You may purchase it on line.
