

**Florida West Coast Orchid Society 2024 Orchid Sale and Show**

**January 27 & 28, 2024**

**SHOW COMMITTEE**

FWCOS President: Corinne Arnold

Show Co-Chairs: Leslie Belew and Bret Ullery

Judging: Ryan Kowalczyk, AOS Head Show Judging Chair

Publicity: Corinne Arnold, Barbara Stayer, and Leslie Belew

Finance: Chad Whetstone

Photography: Wes Newton

Ribbon Judging and Trophy Program: Cheryl Finke

Hospitality: Marcia and John Swager

**SHOW SCHEDULE, RULES, AND REGULATIONS**

# Florida West Coast Orchid Society 2024 Orchid Sale and Show

## **GENERAL:**

1. Ribbon judging will start on Friday, January 26th, at 4:00pm. AOS judging to follow.
2. **\*\*\*\*\*All plants being exhibited must be properly labeled with a tag identifying the hybrid or species name and the category number from the list below\*\*\*\*\*.**
3. Space for commercial sales will be available only by invitation. Commercial growers must register a **minimum of five (5) plants** for ribbon or AOS judging.
4. Commercial vendors and Societies may remove their plants and equipment on Sunday, January 28th, starting at 4:00 P.M. **NO PLANTS OR EQUIPMENT MAY BE REMOVED PRIOR TO THAT TIME.**
5. Commercial vendors and Societies are responsible for the cleanup of their areas. Vendors and Societies not complying may be charged a cleanup fee.
6. The right is reserved by the Classification Committee to reject tardy, unsuitable plant entries, diseased or pest infected plants and have them removed from the exhibit hall.
7. Any other rules deemed necessary for the proper conduct of the Show may be made by the Show Chair.
8. All decisions made by the Show Chair are final.
9. While reasonable precautions will be exercised to the greatest degree possible, The Florida West Coast Orchid Society will not be responsible for the loss of, or damage to, plants or other property.

## **ENTRY, CLASSIFICATION AND JUDGING**

All exhibitors are expected to familiarize themselves with the show schedule and exhibition guidelines.

1. Each exhibitor agrees upon entry to abide by the rules and regulations of the show. All questions regarding the interpretation of these rules shall be referred to the Show Judging Chairman for a decision.
2. Ribbon Judging will begin promptly at 4:00PM on Friday, January 26<sup>th</sup>, 2024. AOS judging to follow.
3. Judging of plants will be in accordance with the current Edition of the *Handbook on Judging and Exhibition* of the American Orchid Society, Inc. and any interim rules issued by the AOS Judging Committee.
4. This Show has been approved for official AOS judging. All plants, whether entered for ribbon judging or not, will be considered for AOS awards unless otherwise marked by the exhibitor. If the flowers have previously been exhibited at an AOS-approved function, they are considered to have been screened and therefore, are not eligible for further consideration. They should be marked, "Not for AOS judging". This will not disqualify the flower from consideration in the proper ribbon or trophy class.
5. Submission of plants or cut flowers for judging shall obligate the exhibitor to accept any award granted and to pay any fees connected with such an award except where he has clearly indicated before the judging that his entry is not to be AOS judged.
6. Recipients of AOS awards are responsible for award fees (see note below) and for supplying the appropriate identification information.
7. All plants and flowers exhibited must be properly labeled with the plant name, the clonal name and any awards designation previously received.
8. Foliage plants, moss etc. may complement exhibits, but no artificial or dyed moss or foliage of any kind will be permitted with the exception of artificial grass used as a floor covering. Plants in flower or cut flowers other than orchids will not be permitted in an exhibit. No dyed flowers will be permitted. No water, fountains or streams will be permitted in the exhibits.
9. All plants exhibited in the Individual Exhibit, Vendor areas and Society areas will be entered for ribbon judging. Blank Entry Sheets will be provided, and hybrid information will be available at the Classification Table. Entry Sheets must be neatly and

## Florida West Coast Orchid Society 2024 Orchid Sale and Show

legibly prepared, with the required information. Electronic Entry Sheets are available. Properly executed Entry Sheets must show any previous awards to the plant by the AOS or the RHS, and the parentage of hybrids (awards to parents need not be shown).

10. Plants and Entry Sheets may be left at the Entry Table starting at 10:00 A.M to 2:00PM, Friday, January 26 at 2:00PM is the cut-off as ribbon judging starts at 4:00PM. Vendors and Societies are responsible for providing their own Plant Identification Labels and category numbers (see below) for all orchids in their exhibits. Vendors and Societies are responsible for placing plants in their assigned exhibits. All plants to be placed in the Individual Exhibit will be arranged by the Show Committee
11. As a courtesy, AOS Judges may enter their own plants for AOS Judging. Once AOS judging is completed, they may take the plant. All other Show rules must be followed.
12. Classification and Entry personnel will be available to assist exhibitors in the proper classification and entry of their plants in accordance with the following Classification Schedule. **HOWEVER, THE FINAL RESPONSIBILITY FOR THE CLASSIFICATION AND ENTRY LIES SOLELY WITH THE INDIVIDUAL OWNER/EXHIBITOR.**
13. Intergeneric hybrids should be entered according to the dominant parent, if there is a choice of class.
14. **Plants may not be entered in more than one Class, except where a double entry is specifically allowed. Double entry of a plant is required in order to be judged for awards of seedlings blooming for the first time, specimen plants, best miniature and best Florida Native Species.**
15. Plants entered as seedlings blooming for the first time **MUST** be physically inspected by a representative of the Classification Committee.
16. Judges have the right to award or withhold any scheduled award and to subdivide Classes when deemed necessary. Judges may reclassify improperly classified entries, at their discretion, or they may disqualify such entries where reclassification is impractical. All such decisions of the Judges are final.
17. Classification is based on the *Royal Botanical Gardens - Kew World Checklist*. Their web address is: <http://apps.kew.org/wcsp/home.do>.

**NOTE ON AOS JUDGING:** Anyone wishing to call the Judges' attention to a plant which they feel merits AOS consideration for judging should list the plant with the AOS Judging Chair. This list will be available on Friday during Ribbon Judging.

**NOTE ON AOS AWARDS FEE:** Any plant in the show may be considered by the judges for AOS Judging, unless specified as "NOT FOR AOS JUDGING". Each person showing plants or flowers; **agrees to accept any award given and to pay the fees for such awards to the AMERICAN ORCHID SOCIETY, INC.**

## Florida West Coast Orchid Society 2024 Orchid Sale and Show

### RIBBON AWARDS AND TROPHIES:

Ribbon awards for individual plants may be awarded as follows:

- Blue Ribbon..... First Place
- Red Ribbon..... Second Place
- Yellow Ribbon..... Third Place

**TROPHIES:** Trophies may be awarded according to the Schedule.

### ENTRY SCHEDULE FOR EXHIBITS

- 10 Commercial Exhibit – over 50 square feet
- 11 Commercial Exhibit Table Top
- 20 Society Exhibits - over 50 square feet
- 21 Society Exhibits - Table Top
- 30 Novice Exhibit - over 50 square feet
- 31 Novice Exhibit - Table Top
- 40 Educational Exhibit - Table Top
- 50 Cut Flower & Floral Arrangement Exhibit
- 60 Artwork Exhibit

### ENTRY SCHEDULE FOR PLANTS IN FLOWER

**Note 1: In this Schedule, unless the word “hybrid,” is preceded by the word “all,” or “intergeneric,” only an intrageneric hybrid is meant, unless otherwise specified in each case.**

**Note 2: Meristems do not qualify as seedlings.**

## CATEGORY NUMBERS

### CATTLEYA ALLIANCE

#### Allied Cattleya genera species

*Intergeneric hybrids should be entered according to the dominant parent, if there is a choice of class*

- 70 *Epidendrum* species
- 80 *Encyclia* and *Prosthechea* species
- 90 *Epidendrum*, *Encyclia* and *Prosthechea* intrageneric hybrids.
- 100 *Epidendrum*, *Encyclia* and *Prosthechea* intergeneric hybrids. **INCLUDES Cattleya hybrids.**
- 110 *Brassavola* species and intrageneric hybrids, (B x B): other than above, **excluding Cattleya.**
- 120 *Brassavola* intergeneric hybrids, **flower predominately B. nodosa in form. INCLUDES Cattleya hybrids.**
- 130 *Rhyncholaelia* intrageneric and intergeneric hybrids, **excluding Cattleya.**
- 140 *Broughtonia* species, intrageneric and intergeneric hybrids: other than above.
- 150 *Laelia* species, intrageneric and intergeneric hybrids: other than above, **excluding Cattleya.**
- 160 *Myrmecophila* species, intrageneric and intergeneric hybrids: other than above, **excluding Cattleya.**
- 170 **Allied Cattleya genera species**, intrageneric and intergeneric hybrids: other than above, **excluding Cattleya.**
- 190 Seedling blooming for the 1st time classes 70-170. **Must be double entered.**

#### **Cattleya – Small flowered - less than five (5) inches natural spread.**

- 200 *Cattleya* species (small flower, less than 5 inches); **includes Guarianthe**
- 201 *Cattleya* hybrids (small flower, less than 5 inches): lavender/mauve/pink
- 202 *Cattleya* hybrids (small flower, less than 5 inches): white

## Florida West Coast Orchid Society 2024 Orchid Sale and Show

- 203 *Cattleya* hybrids (small flower, less than 5 inches): semi-alba
- 204 *Cattleya* hybrids (small flower, less than 5 inches): yellow/orange
- 205 *Cattleya* hybrids (small flower, less than 5 inches): green
- 206 *Cattleya* hybrids (small flower, less than 5 inches): red/red-lavender/purple
- 207 *Cattleya* hybrids (small flower, less than 5 inches): blue
- 208 *Cattleya* hybrids (small flower, less than 5 inches): splash petals
- 209 *Cattleya* hybrids (small flower, less than 5 inches): spotted
- 210 *Cattleya* hybrids (small flower, less than 5 inches): any other colors
- 211 *Cattleya* hybrids (small flower, less than 5 inches): seedling blooming for the first time from Classes 201 – 210. **Must be double entered.**

### ***Cattleya* – Large flowered - five (5) inches and larger natural spread.**

- 220 *Cattleya* species (large flower, 5 inches & over): other than above
- 221 *Cattleya* hybrids (large flower, 5 inches & over): lavender/mauve/pink
- 222 *Cattleya* hybrids (large flower, 5 inches & over): white
- 223 *Cattleya* hybrids (large flower, 5 inches & over): semi-alba
- 224 *Cattleya* hybrids (large flower, 5 inches & over): yellow/orange
- 225 *Cattleya* hybrids (large flower, 5 inches & over): green
- 226 *Cattleya* hybrids (large flower, 5 inches & over): red/red-lavender/purple
- 227 *Cattleya* hybrids (large flower, 5 inches & over): blue
- 228 *Cattleya* hybrids (large flower, 5 inches & over): splash petals
- 229 *Cattleya* hybrids (large flower, 5 inches & over): spotted.
- 230 *Cattleya* hybrids (large flower, 5 inches & over): other than above. Any other colors
- 231 *Cattleya* hybrids (large flower, 5 inches & over): seedling blooming for the first time from Classes 221 - 230. **Must be double entered.**
- 240 *Cattleya* species seedling blooming for the first time Classes: 200 and 220. **Must be double entered.**

## **CYPRIPEDIUM ALLIANCE**

### ***Paphiopedilum***

- 250 *Paphiopedilum* species, section ***Brachypetalum*** (*bellatulum*, *niveum*, *concolor*, etc).
- 251 *Paphiopedilum* species, section ***Parvisepalum*** (*armeniaceum*, *delenati*, *micranthum*, etc).
- 252 *Paphiopedilum* species, Section ***Paphiopedilum*** (*hirsutissimum*, *charlesworthii*, *insigne*, *fairrieanum*, etc.)
- 253 *Paphiopedilum* species, Section ***Barbata*** (*callosum*, *barbatum*, *lawrenceanum*, *sukhakulii*, *venustum*, etc.)
- 254 *Paphiopedilum* species, Section ***Cochlopetalum*** (sequentially blooming, e.g. *glaucophyllum*, *primulinum*, etc.)
- 255 *Paphiopedilum* species, Section ***Coryopedilum*** and ***Pardalopetalum*** (multifloral, e.g. *philippinense*, *sanderianum*, *stonei*, *rothschildianum*, etc.)
- 261 *Paphiopedilum* inter- and intrasectional hybrids, Sections ***Brachypetalum*** and ***Parvisepalum***.
- 262 *Paphiopedilum* hybrids. Callosum types (Maudiae): green/yellow.
- 263 *Paphiopedilum* hybrids. Callosum types (Maudiae): bronze/mahogany.
- 264 *Paphiopedilum* hybrids. Callosum types (Maudiae): red/pink/vinicolor.
- 265 *Paphiopedilum* hybrids. Callosum types (Maudiae): other colors
- 271 *Paphiopedilum* hybrids. Complex: white
- 272 *Paphiopedilum* hybrids. Complex: green/yellow/orange.
- 273 *Paphiopedilum* hybrids. Complex: bronze/mahogany
- 274 *Paphiopedilum* hybrids. Complex: red/pink/vinicolor

## Florida West Coast Orchid Society 2024 Orchid Sale and Show

- 281 *Paphiopedilum* hybrids. Sequential blooming.
- 282 *Paphiopedilum* hybrids - Multiflora types: white
- 283 *Paphiopedilum* hybrids - Multiflora types: green/yellow
- 284 *Paphiopedilum* hybrids - Multiflora types: bronze/mahogany
- 285 *Paphiopedilum* hybrids - Multiflora types: red/pink/vinicolor
- 286 *Paphiopedilum* hybrids - Multiflora types: other colors
- 291 *Paphiopedilum* hybrids - other single flowered types (such as hybrids of *fairrieatum*, *hirsutissimum*, *spicerianum*, *insigne*, etc.).
- 292 *Paphiopedilum* hybrids - intersectional, other than above.
- 295 *Paphiopedilum* seedling blooming for the first time from Classes 250 - 292. **Must be double entered.**

### *Phragmipedium*, *Selenipedium*, *Cypripedium*

- 300 *Phragmipedium* species.
- 301 *Phragmipedium besseae* hybrids excluding *kovachii* - primary / near-primary hybrids with *besseae* as one parent. Examples: Barbara Leann, Mountain Maid, Eric Young, Inca Fire, Rachel Kirk, etc.
- 302 *Phragmipedium kovachii* hybrids other than above - primary / near-primary hybrids with *kovachii* as one parent. Examples: Fritz Schomburg, Frank Smith, Incan Treasure, Haley Decker, etc.
- 303 *Phragmipedium* long-petaled hybrids – excluding *besseae* and *kovachii* in background.
- 304 *Phragmipedium* hybrids – all others; excluding *besseae* and *kovachii* in Background
- 310 Other *Cypripedioideae* species and hybrids (*Cypripedium*, *Selenipedium*, *Mexipedium*).
- 320 *Cypripedium* allied genera seedling blooming for the first time from Classes 300 - 310. **Must be double entered.**

### VANDA ALLIANCE:

- 330 *Aerangis* species and intrageneric hybrids.
- 331 *Aerangis* intergeneric hybrids.
- 340 *Aerides* species and intrageneric hybrids.
- 341 *Aerides* intergeneric hybrids: other than above.
- 350 *Angraecum* species and intrageneric hybrids.
- 351 *Angraecum* intergeneric hybrids: other than above.
- 360 *Arachnis* species and intrageneric hybrids.
- 361 *Arachnis* intergeneric hybrids: other than above.
- 370 *Rhynchostylis* species and intrageneric hybrids.
- 371 *Rhynchostylis* intergeneric hybrids: other than above.
- 380 *Renanthera* species and intrageneric hybrids.
- 381 *Renanthera* intergeneric hybrids: other than above

### **Vanda – Small flowers - three (3) inches or less natural spread**

- 390 *Vanda* species 3 inches or less (formerly *Ascocentrum*, *Neofinetia*, *Christensonia*, etc).
- 391 *Vanda* intrageneric hybrids 3 inches or less (color predominating): orange/yellow
- 392 *Vanda* intrageneric hybrids 3 inches or less (color predominating): red/red-purple.
- 393 *Vanda* intrageneric hybrids 3 inches or less (color predominating): pink.
- 394 *Vanda* intrageneric hybrids 3 inches or less (color predominating): blue.
- 395 *Vanda* intrageneric hybrids 3 inches or less - any other color.
- 396 *Vanda* intergeneric hybrids 3 inches or less - other than above.
- 397 *Vanda* Alliance 3 inches or less.

## Florida West Coast Orchid Society 2024 Orchid Sale and Show

- 398 *Vanda* 3 inches or less seedling blooming for the first time. Classes 390 to 397. **Must be double entered.**

### ***Vanda* – Large flowers – over three (3) inches large natural spread**

- 400 *Vanda* species over 3 inches.  
410 *Vanda* terete-leaf hybrids including *Papilionanthe*.  
420 *Vanda* semi-terete-leaf hybrids.  
421 *Vanda* strap leaf hybrids over 3 inches (color predominating): orange.  
422 *Vanda* strap leaf hybrids over 3 inches (color predominating): yellow.  
423 *Vanda* strap leaf hybrids over 3 inches (color predominating): green/white.  
424 *Vanda* strap leaf hybrids over 3 inches (color predominating): blue  
425 *Vanda* strap leaf hybrids over 3 inches (color predominating): lavender.  
426 *Vanda* strap leaf hybrids over 3 inches (color predominating): pink.  
427 *Vanda* strap leaf hybrids over 3 inches (color predominating): red.  
428 *Vanda* strap leaf hybrids over 3 inches (color predominating): tan/brown.  
429 *Vanda* strap leaf hybrids over 3 inches (color predominating): deep purple.  
430 *Vanda* strap leaf hybrids over 3 inches (color predominating): other colors.  
440 *Vanda* seedling over 3 inches blooming for the first time. Classes 400 - 430. **Must be double entered.**  
450 *Vanda* intergeneric hybrids over 3 inches (excluding *Phalaenopsis*) Other than above.  
460 Allied *Vanda* genera, species, intrageneric and intergeneric hybrids: other than above (excluding *Phalaenopsis*).  
470 *Vanda* alliance seedling blooming for the first time from Classes 330 – 381, 450 & 460. **Must be double entered.**

### **PHALAENOPSIS ALLIANCE:** (includes former genera *Doritis*, *Kingidium*, *Lesliea*, *Nothodoritis*, *Ornithochilus*, *Sedirea*, etc.)

- 480 *Phalaenopsis* species.

### ***Phalaenopsis* – Small flower - less than 2 inches natural spread**

- 491 *Phalaenopsis* hybrids (small flower, less than 2 inches) – white (no spots, bars or stripes).  
492 *Phalaenopsis* hybrids (small flower, less than 2 inches) – white with colored lip (no spots, bars or stripes).  
493 *Phalaenopsis* hybrids (small flower, less than 2 inches) – white with spots/bars.  
494 *Phalaenopsis* hybrids (small flower, less than 2 inches) – white with stripes.  
495 *Phalaenopsis* hybrids (small flower, less than 2 inches) – pink (no spots, bars or stripes).  
496 *Phalaenopsis* hybrids (small flower, less than 2 inches) – pink with spots/bars.  
497 *Phalaenopsis* hybrids (small flower, less than 2 inches) – pink with stripes.  
498 *Phalaenopsis* hybrids (small flower, less than 2 inches) – red/purple  
499 *Phalaenopsis* hybrids (small flower, less than 2 inches) – yellow (no spots, bars or stripes).  
500 *Phalaenopsis* hybrids (small flower, less than 2 inches) – yellow with spots/bars.  
501 *Phalaenopsis* hybrids (small flower, less than 2 inches) – yellow with stripes.  
502 *Phalaenopsis* hybrids (small flower, less than 2 inches) – other colors (no spots, bars or stripes).  
503 *Phalaenopsis* hybrids (small flower, less than 2 inches) – other colors with spots/bars.  
504 *Phalaenopsis* hybrids (small flower, less than 2 inches) – other colors with stripes.  
505 *Phalaenopsis* hybrids (small flower, less than 2 inches) – Harlequin  
506 *Phalaenopsis* intergeneric hybrids (small flower, less than 2 inches) Other than above.

## Florida West Coast Orchid Society 2024 Orchid Sale and Show

### ***Phalaenopsis* – Large flower – 2 inches & over natural spread**

- 511 *Phalaenopsis* hybrids (large flower, 2 inches & over) – white (no spots, bars or stripes).
- 512 *Phalaenopsis* hybrids (large flower, 2 inches & over) – white with colored lip (no spots, bars or stripes).
- 513 *Phalaenopsis* hybrids (large flower, 2 inches & over) – white with spots/bars.
- 514 *Phalaenopsis* hybrids (large flower, 2 inches & over) – white with stripes.
- 515 *Phalaenopsis* hybrids (large flower, 2 inches & over) – pink (no spots, bars or stripes).
- 516 *Phalaenopsis* hybrids (large flower, 2 inches & over) – pink with spots/bars.
- 517 *Phalaenopsis* hybrids (large flower, 2 inches & over) – pink with stripes.
- 518 *Phalaenopsis* hybrids (large flower, 2 inches & over) – red/purple
- 519 *Phalaenopsis* hybrids (large flower, 2 inches & over) – yellow (no spots, bars or stripes).
- 520 *Phalaenopsis* hybrids (large flower, 2 inches & over) – yellow with spots/bars.
- 521 *Phalaenopsis* hybrids (large flower, 2 inches & over) – yellow with stripes.
- 522 *Phalaenopsis* hybrids (large flower, 2 inches & over) – other colors (no spots, bars or stripes).
- 523 *Phalaenopsis* hybrids (large flower, 2 inches & over) – other colors with spots/bars.
- 524 *Phalaenopsis* hybrids (large flower, 2 inches & over) – other colors with stripes.
- 525 *Phalaenopsis* hybrids (large flower, 2 inches & over) – Harlequin.
- 526 *Phalaenopsis* intergeneric hybrids. Other than above.
- 530 *Phalaenopsis* type flower first bloom seedling from Classes 480 - 526. ***Must be double entered.***

### **ONCIDIUM ALLIANCE:**

- 540 *Brassia* species and intrageneric hybrids (*Brs.* x *Brs.*)
- 541 *Brassia* intergeneric hybrids (*Aliceara*, *Brassidium*, etc.)
- 550 *Miltonia* and *Miltoniopsis* species.
- 551 *Miltonia* intrageneric hybrids (*Miltonia* x *Miltonia*)
- 560 *Miltoniopsis* intrageneric hybrids (*Miltoniopsis* x *Miltoniopsis*)
- 561 *Miltonia* and *Miltoniopsis* intergeneric hybrids: other than above.
- 570 *Oncidium* Species and hybrids, large flowered over one (1) inch Natural Spread.
- 571 *Oncidium* Species and hybrids, small flowered one (1) inch or less Natural Spread.
- 572 *Rhynchostele* Species and hybrids.
- 580 *Trichocentrum* Species and hybrids, mule-ear type and terete leaved (*luridum*, *carthagenense*, *splendidum*, *lanceanum*, etc.)
- 590 *Psychopsis* Species and hybrids (*kramerianum*, *papilio*, *sanderiae*, etc.)
- 600 *Tolumnia* species (*Oncidium* Equitants).
- 601 *Tolumnia* intrageneric hybrids (*Oncidium* Equitant hybrids)
- 602 *Tolumnia* intergeneric hybrids (*Oncidium* Equitant hybrids)
- 610 *Oncidium* intergeneric hybrids. Other than above.
- 620 Allied *Oncidiinae* species - allied genera
- 621 Allied *Oncidiinae* hybrids of classes 540-620
- 630 *Oncidium* type first bloom seedling from Classes 540 - 621. ***Must be double entered.***

### **CYMBIDIUM ALLIANCE:**

#### ***Cymbidium***

- 640 *Cymbidium* species, large flower, 1.5 inches natural spread & over.
- 650 *Cymbidium* hybrids, large flower, 1.5 inches natural spread & over.
- 660 *Cymbidium* species, Miniature, less than 1.5 inches natural spread.
- 670 *Cymbidium* hybrids, Miniature, less than 1.5 inches natural spread.

## Florida West Coast Orchid Society 2024 Orchid Sale and Show

- 680 Allied *Cymbidium* genera species, hybrids and intergeneric hybrids, other than above; (*Cyrtopodium*, *Ansellia*, *Grammatophyllum*, etc.).
- 690 *Cymbidium Alliance* seedling blooming for the first time. Classes 640 - 680. **Must be double entered.**

### **DENDROBIUM ALLIANCE:**

***Dendrobium***—NOTE: Hybrids between sections *Phalaenantha* (Phalaenopsis type) and *Spatulata* (Antelope type) should be entered either in classes 721- 746 DEPENDING ON THE DOMINATE SHAPE OF THE FLOWER OF THE HYBRID.

- 700 *Dendrobium* species: Nobile type (*anosmum*, *aphyllum*, *fimbriatum*, *nobile*, *parishii*).
- 701 *Dendrobium* species: Phalaenopsis type (*affine*, *bigibbum*, *superbiens*).
- 702 *Dendrobium* species: Antelope type (*antennatum*, *discolor*, *gouldii*, *lasianthera*, *stratiotes*, *taurinum*).
- 703 *Dendrobium* species: Latouria type (*aberrans*, *alexandrae*, *atroviolaceum*, *johnsoniae*, *macrophyllum*, *spectabile*).
- 704 *Dendrobium* species: any other type.
- 711 *Dendrobium* hybrids: Nobile type - white.
- 712 *Dendrobium* hybrids: Nobile type - yellow.
- 713 *Dendrobium* hybrids: Nobile type - pink/lavender.
- 714 *Dendrobium* hybrids: Nobile type - other colors.
- 721 *Dendrobium* hybrids: Phalaenopsis type - white.
- 722 *Dendrobium* hybrids: Phalaenopsis type - green.
- 723 *Dendrobium* hybrids: Phalaenopsis type - lavender.
- 724 *Dendrobium* hybrids: Phalaenopsis type - red/red-purple.
- 725 *Dendrobium* hybrids: Phalaenopsis type - candy stripe.
- 726 *Dendrobium* hybrids: Phalaenopsis type - any other color.
- 731 *Dendrobium* hybrids: Antelope type - white.
- 732 *Dendrobium* hybrids: Antelope type - green.
- 733 *Dendrobium* hybrids: Antelope type - lavender.
- 734 *Dendrobium* hybrids: Antelope type - red/red-purple.
- 735 *Dendrobium* hybrids: Antelope type - candy stripe.
- 736 *Dendrobium* hybrids: Antelope type - any other color
- 741 *Dendrobium* hybrids: intermediate form (Antelope x Phalaenopsis) type - White.
- 742 *Dendrobium* hybrids: intermediate form (Antelope x Phalaenopsis) type - green.
- 743 *Dendrobium* hybrids: intermediate form (Antelope x Phalaenopsis) type - lavender.
- 744 *Dendrobium* hybrids: intermediate form (Antelope x Phalaenopsis) type - red/red-purple.
- 745 *Dendrobium* hybrids: intermediate form (Antelope x Phalaenopsis) type - candy stripe.
- 746 *Dendrobium* hybrids: intermediate form (Antelope x Phalaenopsis) type - any other color.
- 760 *Dendrobium* hybrids: Latouria type.
- 770 *Dendrobium* hybrids: other than above.
- 780 Allied *Dendrobium* genera, species, intrageneric and intergeneric hybrids: other than above.
- 790 *Dendrobium Alliance* (any type) seedling blooming for the first time: 700 - 780. **Must be double entered.**

## Florida West Coast Orchid Society 2024 Orchid Sale and Show

### **OTHER - DIVERSIFIED SUBTRIBES, GENERA, SPECIES, ETC.:** Not included above

- 800 *Masdevallia* species, intrageneric and intergeneric hybrids
- 810 *Dracula* species, intrageneric and intergeneric hybrids other than above
- 820 Allied *Pleurothallidinae* genera species and hybrids intrageneric and intergeneric hybrids: other than above
- 840 *Lycaste* species, intrageneric and intergeneric hybrids.
- 850 *Sudamerlycaste* species, intrageneric, and intergeneric hybrids.
- 860 *Anguloa* species and hybrids.
- 870 *Maxillaria* species, intrageneric and intergeneric hybrids: other than above.
- 880 *Zygopetalum* and allied genera, species, intrageneric and intergeneric hybrids: other than those above; (i.e. (Chondrorhyncha, Cochleanthes, Promenaea, etc.)
- 890 *Stanhopea* & allied genera species & hybrids (i.e. *Coryanthes*, *Gongora*, etc.)
- 900 *Catasetum*, *Clowesia*, *Cycnoches*, *Mormodes* and allied genera, species.
- 910 *Catasetum*, *Clowesia*, *Cycnoches*, *Mormodes* and allied genera, **hybrids up to two genera.**
- 911 *Catasetum*, *Clowesia*, *Cycnoches*, *Mormodes* and allied genera **complex intergeneric hybrids three or more genera.**
- 930 *Bulbophyllum* single flowered species and hybrids.
- 941 *Bulbophyllum* sequentially blooming species and hybrids.
- 942 *Bulbophyllum* umbel-type species and hybrids.
- 943 *Bulbophyllum* & allied genera hybrids other than above.
- 950 *Coelogyne* species, hybrids, and intergeneric hybrids other than above including *Dendrochilum*
- 960 *Bletia*, *Calanthe*, *Chysis*, *Gastrochis*, *Phaius*, *Spathoglottis*, and *Thunia* species, hybrids, and intergeneric hybrids other than above.
- 970 *Disa*, *Habenaria*, *Orchis*, and *Stenoglottis* species, intrageneric hybrids and intergeneric hybrids other than above.
- 980 *Jewel Orchids* - (recognized for colorful foliage & flower) i.e. *Anoectochilus*, *Dossinia*, *Goodyera*, *Ludisia*, etc. (may be flowering) Need not be in bloom.
- 990 **Terrestrials** not covered elsewhere including *Stenorhynchus*
- 1000 Species not covered elsewhere.
- 1010 Hybrids not covered elsewhere.
- 1020 Diversified Subtribe seedling blooming for the first time: 820 - 1010. **Must be double entered.**

- 1120 Art and Craft – Other
- 1200 Vendor Display

### **TROPHIES:**

1. Best *Encyclia / Epidendrum / Prosthechea* species: Classes 70 - 80
2. Best *Encyclia / Epidendrum / Prosthechea* Intrageneric and Intergeneric. Hybrid: Classes 90-100
3. Best Other *Cattleya* Alliance: Classes 110 – 170
4. Best Small Flowered *Catt.* (3" or less): Classes 200 – 210
5. Best Large Flowered *Catt.* (over 3"): Classes 220 – 231
6. Best Small Flowered *Vanda* (3" or less): Classes 390 – 396
7. Best Large Flowered *Vanda* (over 3"): Classes 400 – 460
8. Best Other *Vandaceous*: Classes 330 – 381
9. Best *Phalaenopsis* – Mem. E. & D. Sitton: Classes 480 – 526
10. Best *Brassia / Miltonia / Miltoniopsis*: Classes 540 – 561
11. Best *Oncidiinae*: Classes 570 – 621
12. Best *Dendrobium* – *Phalaenanthe* and *Spatulata*—Classes 701, 702, 721 - 746
13. Best *Dendrobium* – Other or Allied Genera- Classes 700, 703–714, 760-780
14. Best *Paphiopedilum* Species –Mem. Jim & Emily Clarkson—Classes 250-255
15. Best *Paphiopedilum* Hybrid -Classes 261-292
16. Best Other *Cypripediodeae* – Classes 300-310
17. Best *Catasetinae*-Memoria George Carr- Classes 900-911
18. Best *Bulbophyllinae*-Classes 930-943
19. Best Species in the show
20. Best Specimen – Memoria Helen Streck
21. Best in Show – Classes All
22. Best Florida Native species—Class 1040
23. Best Other Diversified Genera - Classes 800-890, 950-1010
24. Best First Bloom Seedling: Class 190, 295, 320, 397, 470, 530, 630, 690, 790 and 1020
25. Best Display: All Displays
